# FAVOURITE TASTE OF THE COUNTRY

## KONSERVE

Sizi kutu içindeki Türk mutfağı ile tanıştırmak istiyoruz.

Dolmadan pilakiye, İzmir köfteden tas kebabına, balıktan soslu tavuğa, bununla birlikte haşlanmış bakliyat ürünleri, dalından taze bezelye ve aşureden kavrulmuş ispanağa, etli kuru fasulyeden kızartmalara yemek çeşitlerini sunmaktayız. Bu zengin çeşit zincirinde **BÜTÜN YURDUN LEZZETİNİN** 70 yıllık tecrübe ve çağdaş teknoloji ile nasıl bütünleştiğini göreceksiniz. İmalatlarımız, gerek kalite gerekse lezzeti nedeniyle T.C. Tarım Köy İşleri Bakanlığı'na verilmiş Gıda Üretim İzin Belgeli olarak yapılmakta, TSE Başkanlığı'na da layık görülmüş olan **TS-EN-ISO 9001:2000** Kalite Sistem Belgesi ile dünyaya açılmış bulunmaktadır. Ayrıca Türk Silahlı Kuvvetleri'nin gerektiği zamanlarda konserve ihtiyacını karşılamaktan da gurur duymaktayız. İmalatlarımız 12.500 m<sup>2</sup>'lik fabrika alanındaki 7500 m<sup>2</sup> kapalı üretim bölümünde büyük titizlik ve hijyenik şartlar altında gerçekleştirilmektedir. **YURT KONSERVE** ürettiği malları gelecekte de bugün olduğu gibi sağlıklı ve dürüst konserveciliği ilke edinerek tüm dünyaya hizmet sunmanın gururunu yaşayacak.

Saygılarımızla

"Hazır yemek"

Let us introduce you to Turkish Kitchen in cans. From Dolma (Stuffed Grape Leaves) to Pilaki (Beans in sauce), from İzmir Köfte (Meatballs) to Tas Kebap (Kebab with potatoes), from Fish Products to Chicken in sauce, from Boiled Legume products to Noah's Pudding, from Roasted Spinach to Fried Vegetables. With this rich food variety you will see how technology and the seventy years of experience come together in **"ALL THE TASTE OF THE NATION"**. Our products are certified by the Turkish Ministry of Agriculture and Rural Affairs for their quality and taste, with Food Production Permission Certificate and TSE (Turkish Standards Institute) has given us the Quality System Certificate that called **TS-EN-ISO 9001:2000** and with these certificates and permissions, we are open to the world market. We also provide to Turkish Military whenever we get a demand from them. Our production is done under very hygienic and meticulous conditions in 7500 m<sup>2</sup> closed in area and overall 12,500 m<sup>2</sup> combined area. Today, **YURT KONSERVE** is proud of the fact that we are able to produce all of these products for the consuming communities.

Sincerely yours

**İSTANBUL GIDA SANAYİ ve TİCARET A.Ş.**
